Faire avec sans...

Laurence Brunelle-Côté & Myriam Legault
241 West, St-Joseph Boulevard #8
12noon – 7pm

A poetry installation in a private home, words nestled in an unfamiliar apartment for the space of one weekend. Wanderers find poems on the fridge and improbable lists, reminders of the things missing from our lives and the lives of others. Should we try to fulfil every need? Or make do, without?

Sound: Simon Elmaleh.

Poèmes en pyjama

Geneviève Letarte
LA BIBLIOTHÈQUE - Espace Marie Chouinard
4499 de l'Esplanade street
2pm – 6pm

It is afternoon and I offer you a small performance in a private space. The space is not mine, but the words are, taken from notebooks and unfinished plays. Fragments, part storytelling, part poetry, set against a backdrop of ambient music.
